

Muhammad Ali

Summary

Highly motivated Software Engineering student in the 3rd semester, proficient in Python, and C++. Demonstrated excellence in academics and coding competitions. Eager to contribute to innovative solutions and gain practical experience in software development. Seeking opportunities to collaborate with experienced professionals and grow in the field. Adaptable and quick learner.

Experience

- **Coding Projects:** Completed several coding projects, showcasing proficiency in Java, Python, and C++, and demonstrating a strong understanding of data structures and algorithms.
- **Team Collaboration:** Actively participated in team-based coding projects, fostering effective communication and collaboration skills to deliver successful software solutions.
- **Hackathons and Competitions:** Engaged in hackathons and coding competitions, applying problem-solving abilities to tackle challenges and delivering innovative solutions within time constraints.
- **Problem-Solving Abilities:** Developed a keen aptitude for problem-solving through coursework and practical applications, ensuring efficient and effective software development.
- **Time Management:** Successfully balanced academic responsibilities and extracurricular activities, demonstrating excellent time management skills to meet project deadlines.
- **Passion for Technology:** Evidenced a genuine passion for technology and software development, continuously seeking opportunities to learn and stay updated with the latest industry trends and advancements.

Education

Matric Science: 2018-2020

Yousra Model Hight School And Collage Khanpur

FSc Pre Medical : 2020-2022

Yousra Model Hight School And Collage Khanpur

BS Software Engineering: 2022-Present

Pak Austria Fachhochschule Institute of Applied Science and Technology Mang Haripur.

Diploma in Python : 2022-2023
